

PERFECTION AT YOUR SIDE AT ANY TIME

This model has been specifically designed for the virtuosos of sewing, patchwork and quilting offering you a wealth of advantages and comfort for all your projects.

Little by little you will discover and appreciate all the fine details that define the new 760PRO, designed and developed to provide the very best support while you sew. A new automatic bobbin winder equipped with thread cutters in addition to an easy thread winding system are two key new features of the 760PRO.

Thanks to 270 available stitches with a maximum width of 9 mm of which 40 have an Elna selection key as well as one extra-long arm, a wide sewing area and multiple accessories, you will certainly achieve your goals successfully!

IN DETAILS

THAT ADDED EXTRA THAT MAKES A DIFFERENCE

Our priorities are product quality and user comfort. The Elna exclusive storage space will always come in handy!

BOBBIN WINDING MADE EASY

A quick and intuitive device that simplifies bobbin threading and reduces it to one motion so that the 760PRO is ready to sew

FOR THE ART OF SEWING

Thanks to the included accessories, 1/4 inch seams, topstitching on quilts, double transport or even seam finishes will seem like a piece of cake!

A NEW BOBBIN

The new bobbin's base has five thread-cutters to cut and hold the thread having already been previously wound several times around the bobbin, for a quick and confident start.

Applied art

There is no limit to your creations thanks to a wealth of possibilities that you can choose from for all your designs, patchwork and quilting projects.
