

eXcellence 710

computerized sewing machine

FOSTERING CREATIVITY

The new elna eXcellence 710 offers a very large sewing area and an array of helpful functions and impressive features:

- 170 stitches in 9 mm width, including alphabet and 10 automatic buttonholes
- button-operated automatic thread cutter and lock stitch
- touch control panel for easy selection of stitches and settings
- sewing speed up to 1000 stitches/min.
- one-step needle plate converter

FOR PRECISE FEEDING

The eXcellence 710 is equipped with a Dual Feed system, that evenly moves your fabric from top and from bottom with amazing precision. It guides multiple layers in perfect synchronization and enables precise matching of stripes and patterns like checks.

The removable Dual Feed foot wide comes as a standard accessory. Additional Dual Feed feet are available as optional accessories. These include Dual Feed Plus feet that are very useful for narrow work.

MORE ACCESSORIES

This model comes with an extensive package of standard accessories and includes the right tool for a broad range of sewing tasks and quilting techniques:

- 15 presser feet for multiple sewing functions, including Dual Feed wide and convertible free-motion quilting kit
- additional straight stitch needle plate
- adjustable knee lifter
- plenty of dedicated storage space, with top compartment designed for presser feet and two compartments in the free arm

eXcellence 710
