APP DRIVEN EMBROIDERY
FOR IOS AND ANDROID

260 BUILT-IN DESIGNS

Wireless Embroidery! Air Artist is the only machine available in the US market which allows users to create original embroidery designs of up to 4"x 4" via an app on their own WiFi enabled device. These are then sent to the machine via WiFi to be embroidered. Dot Customizer, the dedicated free app which can be downloaded from the App Store or Google Play, includes 260 built-in designs and full lettering software with 12 fonts to choose from. Users can compose and edit designs on screen in different combinations of layouts, letterings and colors. There is also a preview feature where users can view a simulation of the embroidering process before it is stitched out.
